PROFILE

Motivated and adaptable Computer Science student with a strong ability to quickly learn new technologies and concepts. Skilled at performing well in fast-paced, collaborative environments. Eager to apply academic knowledge and hands-on experience to pursue a career in software engineering, with a focus on continuous growth and contributing to innovative solutions.

WORK EXPERIENCE

12 august 2024 - PRESENT
accuremedical.in | Noida
Web Developer

Currently working on an eCommerce project, developing the backend using Django to ensure smooth product management, user interactions, and payment processing. Additionally, managing the company's Wix and WordPress-based websites for Accure Medical, handling content updates, site maintenance, and optimizing user experience across both platforms. Implemented payment gateway integrations on the Wix website with Razorpay and PayU, enabling secure and seamless transactions. Demonstrating strong skills in backend development, web management, and cross-platform website optimization.
